

# GUIDELINES FOR REOPENING BUSINESS

## General Guidelines For All Industries

### 1 PRACTICE SOCIAL DISTANCING

Continue to practice social distancing by maintaining at least six (6) feet separation from those around you

### 2 STAY HOME WHEN FEELING SICK

If you feel sick, be sure to stay home and avoid potentially making others ill

### 3 WEAR PROTECTIVE FACE COVERING

Wear protective face covering and be sure to cover your mouth and nose to protect you and those around you

### 4 CONDUCT HEALTH SCREENINGS

Conduct health screenings according to the recommendations of health professionals including testing for the COVID-19 virus

### 5 WASH HANDS FREQUENTLY

Wash your hands frequently and sanitize surfaces

### 6 RECOMMENDED TEMPERATURE CHECKS FOR ALL STAFF

Checks are recommended temperature for all staff. If someone has a temperature of 100 degrees or above, they must go home and should seek medical advice

### 7 HIGH-RISK INDIVIDUALS SHELTER AND WORK FROM HOME

If you are a high-risk individual, work from home whenever possible to avoid contact with others
